In conjunction with the Paris Arbitration Week 2018  
and with the generous support of McDermott Will & Emery

JOIN US FOR BREAKFAST (8.30am-11am)  
WEDNESDAY 11 APRIL 2018, AT THE INTERCONTINENTAL HOTEL

The Inaugural Events Series provides an opportunity for exchange with the arbitration community about the Delos approach to arbitration and its emphasis on time and cost efficiency, combined with quality and flexibility.

In Paris, we put the spotlight on the powers of the arbitrators. The Delos Rules of Arbitration require arbitrators to take a proactive approach to the resolution of disputes, and make broad powers available to them for this purpose. The Rules further provide that disputes must be dealt with fairly, expeditiously and at proportionate cost. **Professors Pierre Mayer and Maxi Scherer** will explore the limits to arbitrators' exercise of their powers.
