

The Ten Commandments of

for Arbitration Practitioners

IT'S INSIDE US ALL

Where is the ECS?

Brain

Cannabinoid receptors are known to be the most widespread receptor in the brain, affecting emotion, cognition, appetite, and other important brain functions. Because there are no cannabinoid receptors in the area of the brainstem that controls breathing, no known incidents of fatal cannabis overdose have occurred.

A smartphone is shown at an angle, displaying the LinkedIn mobile app's sign-up screen. The screen is white with the LinkedIn logo at the top left. Below the logo is the text "Join LinkedIn now — it's free!". There are four input fields: "First name", "Last name", "Email", and "Password (6 or more characters)". Below the password field is a line of text: "By clicking Agree & Join, you agree to the LinkedIn [User Agreement](#), [Privacy Policy](#), and [Cookie Policy](#)." Below this is a large blue button with the text "Agree & Join". At the bottom, there is a line with "or" in the middle, and below that is a blue button with the Facebook logo and the text "Continue with Facebook".

The background of the image consists of multiple rows of yellow rubber ducks arranged on shelves. The ducks are identical, with bright yellow bodies, red beaks, and small blue eyes. They are positioned in neat, receding lines that create a strong sense of perspective, leading the viewer's eye from the foreground into the distance. The lighting is warm and even, highlighting the smooth texture of the rubber.
